SYNTHETIC SAMPLE — NOT A REAL FINANCIAL DOCUMENT

This fictional Key Fact Statement is provided only to test a portfolio demonstration. It contains no real borrower data and must not be used for lending, legal, or compliance decisions.

Illustrative Digital Personal Loan

Lender: Example Finance Ltd. (fictional)

Borrower: Demo Borrower (fictional)

Principal amount: INR 50,000

Tenure: 12 months

Repayment: 12 monthly instalments

Illustrative Charges and Terms

Annual Percentage Rate (APR): 18% per annum.

Processing fee: INR 1,000, payable at disbursal.

Late payment charge: 2% interest on overdue amounts, compounded monthly.

Cooling-off / look-up period: Not stated in this sample.

Nodal grievance officer: Contact details not stated in this sample.

Expected demo behavior: the tool may flag the treatment of the processing fee in APR, compounded late charges, and missing cooling-off and grievance details. The result depends on configured reference passages and is not an authoritative assessment.
